

HEIDELBERG Ink Duct Liners

HEIDELBERG Ink Duct Fountain Liners

Our ink duct foils for Heidelberg presses with C.P.C. are manufactured from 100% Pure DuPont Polyester containing outstanding chemical, thermal and mechanical properties. Only virgin resin used, no recycled polyester.

Exact fit and long lasting durability are assured.

All standard liners are .0075" thick. UV Liners are either .010" or .013"

Every Liner
